

Finish Crop Seeding By End of Week

It is estimated that about 80 per cent of the seeding is completed on the land.

The present weather conditions will be completing the end of the week.

On irrigated land, however, seed is less than 50 per cent finished. Farmers in the irrigated district are realizing that the season is going late, are seeding flax and barley in many cases.

With an abundance of moisture, and the warm weather of the past week, the germination has been very rapid, and already several fields of wheat are sufficiently to cover the ground.

The early lands are fast turning to green as the new grass pushes its way up past the old. Cattle and horses are in midsummer, being sleek and fat due to the abundance of feed.

It is estimated about a month ago that the acreage to be cut down in the district might be cut down considerably, due to the late spring. The situation now, however, would indicate that the present acreage seeded, and to be seeded will be in excess of the first estimate.

CANADIAN LEGION ASKS SUPPRESSION OF "FIFTH COLUMNS"

Urgent demands that the Dominion government take immediate steps to suppress "Fifth Column" activities in Canada, to ban German language publications and all German language meetings, as well as to investigate non-enemy aliens, especially those whose countries are displaying anti-British tendencies, are contained in resolutions being received at Dominion Command headquarters of the Canadian Legion, J. R. Bowler, M. B. E., general secretary of the Legion, announced today.

The resolutions are being wired from Legion Branches in many parts of Canada and immediately upon receipt are placed in the hands of the government, Mr. Bowler stated. He added that they will be dealt with during the Legion's Dominion convention to be held in Montreal this month.

Internment of all German citizens now resident in Canada and the investigation of all enemy aliens who have become naturalized since the close of the first Great War is also urged in the resolutions. Non-enemy aliens should be registered and their migration from one part of Canada to another should be allowed only under special permit. The resolutions also demand that all internment camps be placed under the administration and control of units consisting exclusively of ex-service-men especially enlisted for this purpose.

Mr. Bowler said that a number of the resolutions expressed disapproval of releasing so many Germans who had previously been in internment camps and strongly recommended the government to take immediate action against all subversive elements that might endanger Canada's war effort.

Millicent Ball Team To Be Guests Here Sunday; Dbl'header

The local Baseball Team will swing into action with the first game of the season on Sunday afternoon next, June 2nd, when they meet a highly rated team from Millicent on the local ball diamond. Two games will be played during the afternoon, one at 2 o'clock, and another at 6 o'clock.

For the past two weeks the local boys have been undergoing strenuous practices, and it is believed that a good team will represent the town this year.

Everyone is urged to turn out for one of the games, and signify support of the local ball team.

RECEIVES LETTER FROM NOTED WRITER-EXPLORER

Mr. George Smith of Bassano this week is the possessor of a very interesting and friendly letter from Rosita Forbes, noted English writer and explorer. The letter came from the Bahamas, West Indies, where Miss Forbes is at the present time making recordings for Dominion Broadcasts.

Until his death, a few years ago, Mr. Smith's Grandfather, Mr. George Smith, and after whom our local Mr. Smith was named, was gamekeeper on the Turnwood Estate in Lincolnshire, England. The Turnwood Estate belonged to the parents of Rosita Forbes.

Through MacLean's Magazine, Mr. Smith was able to get in touch with Miss Forbes, and receive a reply to his letter.

In her letter, Miss Forbes relates many of her youthful experiences on the estate, and tells of the popularity George Smith, the gamekeeper, had with the household. He apparently was good natured and witty, and was exceedingly proficient at his work. His wife has resided in a cottage on the Estate ever since his death.

Miss Rosita Forbes is a prominent writer for MacLean's magazine, and has of late written numerous articles on the European Situation. She also has stated that she would be returning to England following her stay in the Bahamas.

HE WANTED TO SERVE

Sixty Years of Age; Tried To Join Air Force.

Klondike Pioneer Beats Way Across Dominion to Offer Services

Returning from a trip that will have taken him over eighteen thousand miles of country, Charles Harry Hooper, Klondike Pioneer, Cariboo gold miner, and British Columbia Taxi Driver stopped off in Bassano for a few hours on Wednesday afternoon of this week. Hooper is returning to his former work in gold camps in northern British Columbia, following a Dominion wide trip in an attempt to offer his services in the present war.

Hooper, 60 years of age, fully intended to become a member of the Canadian Air Force when he left his home in the Cariboo, a unit that he had served in during the

Rink Pavillion To Open June 7

SONNY FRY and The Gentlemen of Music Engaged

The cool, semi-openair, Curling Rink Dancing Pavillion, will be the setting for the special return engagement of Sonny Fry and the Gentlemen of Music, when this popular Calgary Orchestra, make their second appearance in Bassano on June 7th.

The local Board of Trade are opening the summer dancing program in Bassano a week from Friday with a gala celebration on this spacious dance floor. No where in any rural point in southern Alberta are there better dancing facilities than at the local curling rink pavillion.

Sonny Fry and his orchestra proved a great success in Bassano when they played at the Board of Trade dance in the Masonic Hall on Friday May 10th. On that night the music of this orchestra made one of the largest crowds of the winter dancing season, forget there was a war in Europe as they danced for four and a half hours—the end coming all too soon. This eight piece dance orchestra is one of the most popular of dance orchestras in Alberta today. They have signed a summer engagement to play at the Penley Dancing Academy at Sylvan Lake, and the Board of Trade feel they are indeed fortunate in booking this orchestra on the only open night they have during the summer. This orchestra will have to motor all the way down from Sylvan Lake for this engagement but Mr. Fry assured the Board that this was nothing; what they want is to introduce their type of music in this district and to prove they are capable of drawing a large enough crowd to warrant the extra cost for music of this calibre.

Don't forget, your patronage at this dance is earnestly solicited by the Trade Board and in return they promise you a Full Evening Of Fun and Entertainment.

E.I.D. NOTES

Because of conditions brought about by the war, the arrangements in connection with establishing a sugar factory in the Eastern Irrigation District have been unavoidably delayed. It is expected that the delay will be only of a temporary nature.

Large Crowd At Banquet

Approximately one hundred and eighty persons attended the High School Banquet held in the local Masonic Hall on Thursday evening of last week. The affair was acclaimed a huge success, and everyone appeared to heartily enjoy themselves.

Prior to sitting to a bountiful chicken dinner, the gathering observed a brief period of silence in commemoration of two Bassano youths, Roy Gayford and George Stiles, who have been reported missing and believed killed in the European War. The two boys were graduates of the local High School. Toasts were proposed to the King, to Canada, to enlisted Canadian Soldiers, and to the School Alumnae by toastmaster Ramsay Broadfoot.

Reply to the toast to Canada was given by Marcel Massey, who in a few brief words outlined Canada's important part in the war, and her dependency upon her population for support and co-operation. W. J. Redmond, on behalf of Great War Veterans, replied to the toast to enlisted soldiers. Robert Currie of Calgary replied very fluently to the toast to the Alumnae, and expressed the high praise of ex-Bassano students towards the local school. Mr. S. Meeres, who acted as Master of Ceremonies, replied to a toast proposed to the teaching staff, and congratulated the students upon the preparations they had made for the banquet.

Following the toasts, Mr. Meeres, also principal of the school, gave a very interesting address on the activities being undertaken in the Bassano School. He pointed out several improvements in the

PROVINCIAL GOVERNMENT CHANGES POLICY DISTRIBUTION OF HOPPER POISON

Mr. Johnson of Drumheller, connected with the Provincial Department of Agriculture, informed the Recorder on Tuesday of this week of a change in the policy of the Government with regards to the distribution of grasshopper poison to Farmers in the future.

The poison will, from now on, be shipped into the district already mixed. All that farmers will be required to do before using the bait will be to dampen it. The local mixing station, operated in previous years by Mr. G. S. Warren, will be closed and the equipment moved away. The reason for the change in policy is in the interests of economy.

Poison will in the future be handled by Mr. W. S. Playfair, local feed and dray man. The poison will be shipped in by the carload, and distributed to farmers as required.

Mr. Johnson stated that hoppers were beginning to hatch in the district, and that to the west of Bassano it is expected that damage will be considerable. The infected area extends from the western boundary of Bassano to Cluny, then north west to Standard and Chancellor and Hussar.

Following are a few instructions with regards to the spreading of poison bait, as outlined by the provincial department.

1. The bait is made by the best formula known. No materials should be added to it, and when properly used it will kill at least 85% of the grasshoppers which are present when it is scattered, providing conditions are favourable.

2. Before scattering bait, more water should be added, until you can easily squeeze it out of a handful of bait.

3. Scatter bait only when it is damp. Scatter it wherever grasshoppers are numerous, whether on crop or cultivated land adjacent to it. Bait should be scattered only (Continued on Page 5)

courses being taught, and new methods of teaching. He also expressed praise for the dormitory system as set up in the district, and stated that if it were not for this, the school population would have been considerably smaller than what it is. He made brief mention of extra activities being conducted, and praised the students for their energetic work along each line.

Mr. Ralph Arrison was next called upon for a few words, and he outlined the dormitory system of education to the audience. He explained in detail how the system functioned, and stated that at the present time the cost per pupil per month was slightly in excess of five dollars, which is quite reasonable.

Other guest speakers called upon included Mayor Playfair, and school trustees W. L. Flanagan, Roy Smith and W. F. McBeth.

Mr. Meeres then presented several of the students with extra curricular crests for accomplishments made during the year outside of school studies. The crests were about three inches in diameter, and in black lettering on a gold background bore the school name. The crests were presented to Dick Walsh, R. MacLean, June Ragan, R. Broadfoot, R. Bacon, W. Plumer, Eleanor Ferraby, Mary MacLeod and Arm and Zelenski.

A CHALLENGE TO DEMOCRATIC DEVOTION

Canadians today are being asked to buy War Savings Certificates. What does this mean? It means that our answer will be the measure of our devotion to democracy. To freedom.

We have been told that democracy is decadent. That our ideals of freedom are meaningless. That our way of life cannot compel the devotion that goes to the totalitarian creed.

War Savings Certificates can answer, and powerfully, to that indictment. To the extent that we buy them we will tell whether or not devotion to democracy and liberty does exist; whether there exists the reality of democratic responsibility, of democratic loyalty, of democratic unity.

In France today the watchword is: Advance or die. In England Mr. Churchill exclaims: "I offer you blood, tears, toil and sweat." And he adds: "For all that Britain means, I appeal to you... We must save ourselves from the black night of barbarism."

In coming weeks, the people of this country have the chance of showing whether their thought of freedom's meaning, their understanding of the meaning of this terrible conflict, is as deep and real as that of the people of Britain and France.

The real challenge of War Savings Certificates is the challenge of whether the fibre of democracy is as strong as the fibre of dictatorship. The challenge of whether the discipline of the lash is as powerful as the discipline of freedom.

Let Canadians, by buying these War Savings Certificates, by answering with all and the least of their means the great cry for help that goes up, show how strong is the discipline of freedom. Let them determine that it will be remembered in years to come that Canada did not vent its anger at brutality and injustice solely in words and gestures, but that it turned at least a part of it into sacrifice for freedom in freedom's hour of dire need.

RED CROSS WORKERS NEEDED

We quote from a circular received

this week by all local branches of the Red Cross.

"Red Cross reports indicate at least five million Refugees from Northern France and tremendous numbers Military and Civilian casualties imposing terrific strain on French Red Cross. National executive this morning voted hundred thousand surgical dressings French Red Cross. News and radio pleas being made for forwarding as quickly as possible all supplies in hands of Branches in Canada. Please use every effort to get these supplies into our warehouse immediately."

Sometimes figures are so large that they lose all meaning—certainly here in Canada it is almost impossible to comprehend what it means when we learn that there are five million refugees in Northern France who are desperately in need of every aid the Red Cross can give them. People numbering almost half the population of Canada have suddenly become homeless—many are wounded, and all of them must be suffering. It is in emergencies like this that the Red Cross comes to the fore. By drawing upon its reserves of clothing, blankets and surgical dressings etc., it can immediately render aid where it is needed most.

The result of an emergency such as this is to place the burdens of replenishing these supplies upon the small groups throughout the country just such as the Local Red Cross. Workers are urgently needed here and it is to be hoped that everyone will now jump in and play their part. We are now seeing just what a "Total" war means—the inaction of the winter months on the battle field is over, and the inaction on the home front is over too. Those on the home front who want to "do their bit"—and everyone says they do—can serve best through the Local Red Cross. Women are reminded of the work day each Tuesday afternoon at the Red Cross Headquarters on Main Street, and of the fact that aside from emergencies such as the present one, there is an unceasing need for knitted wear, and not nearly enough knitters here in town to fill the need.

Letter Tells Of Interesting Sights, London

A Letter received by Mrs. J. Brown of Gem from her daughter, Mrs. J. Dunlavy, formerly of Duchess, relates many interesting incidents and sights that she has seen since her arrival in England some two months ago. Mrs. Dunlavy left Gem on February 17th, to join her husband, who was one of the first from the district to volunteer for service in the Old Country.

At time of leaving the district Mrs. Dunlavy had intended enlisting with the Womens Auxillary Force in London. However, since arriving there, she has volunteered her services with the Canadian Red Cross, and at Beaver Lodge and at B. C. House. She relates her duties of unpacking, repacking and re-shipping parcels sent from Canada, and states that she hopes in time to handle parcels sent from the Bassano Group.

Since arriving in London, Mrs. Dunlavy has been with her husband, and with her brother, Jack Brown, who went overseas with the first contingent.

Her letter states in part:

"Jack and I went to London on Saturday last to see the Toronto Scottish take over the guard at Buckingham Palace. It was sure thrilling, and you would have enjoyed the bands. They were the Grenadier Guards and the Irish Guards. We rode down the Thames, went under London Bridge, and saw the Tower of London, the Houses of Parliament, and stood under Big Ben when it struck seven. We walked around Buckingham Palace and St. James Palace, and saw No. 10 Downing Street.

"Yesterday, Jack, Jackie and I went to Windsor Castle. The Royal Family were there celebrating Princess Elizabeth's birthday. The boys got to look into the drawing room where they were going to have tea, but didn't see anyone. We went all through the chapel and it was wonderful. I'll never forget it, it is so ancient. There was a piece of marble front that dated back to 1200, and I stood on top of Henry VIII's tomb. At King George V's tomb there is a sculptured likeness of him—it is very good. The building itself is wonderful—all crumbly with age. The walls are of carved rock, and the pews, doors and altars are all carved out of oak. It is really the most wonderful thing I have ever seen, and I could spend weeks just looking around in the chapel. The castle is the most massive thing I have ever seen, with long avenues of trees leading up to it. It is a mass of rock as far as the eye can see."

Additional Locals—

Miss Ailsa Hopkins is spending a few days in Calgary, visiting at the home of Captain and Mrs. Wm. McLaws.

Mr. and Mrs. Clive Nesbitt and family, of Brooks, spent the weekend in town visiting at the home of Mr. and Mrs. Joe Stiles.

On Tuesday evening of last week Mr. H. Riley, Mr. H. T. Johnson and Mr. W. Redmond motored to Brooks to attend Masonic Lodge, they were accompanied by Mrs. Riley and Mrs. Redmond, who visited with friends during the evening.

EXPRESS THANKS

The High School Banquet Committee, and students of the local school, wish to thank all those persons in Bassano who assisted in making the Banquet held last week such an overwhelming success. Without this co-operation, planning and preparing for the event would have been most difficult.

"THE STORE OF QUALITY"

LATHOM

Seeding is nearly completed in this district now, and many fields of grain are up two or three inches. Plum and apple trees are in bloom and strawberries are set on the vines. Lilacs also are in bloom to make us really aware that "Spring" has "Sprung", and it will soon be Summer.

Many Lathom people attended the Imperial 3 Star performance on Friday evening and all reports are of a very good time.

Mr. and Mrs. Merithew spent Friday afternoon at the Goudle home.

Mr. and Mrs. Wilfly of Brooks, Mrs. P. J. Stuhlsatz and Jack of Rainier and Mrs. L. Osterberg and Wava of Countess were visitors at the Baker home Sunday afternoon.

Mr. and Mrs. T. Maguire, Nora Boyle and Kay Bond were Lathom

visitors Sunday.

The Lathom ball team played the Countess team Sunday afternoon, with the local team winning 10-8.

A few more practices and the games will improve, no doubt, although they are a very fine entertainment even now.

COUNTESS

Evelyn Dawkins from Maple Creek has been visiting relatives at Countess.

A certain Bassano High School student seems to have found quite an attraction at Countess. How about it Eleanor?

Mrs. Mildred Reynolds is visiting at the home of her sister Mrs. William Ferraby.

Margaret Freeman, Evelyn Hartley, Donna Gamble and Earl and Shirley Edwards were guests at the Wenzel home on Sunday.

Mrs. William Ferraby, Mrs. Reynolds and Mrs. Gamble called at the Cowan home on Sunday evening.

Gem Notes

Mrs. Williamson returned to her home in Rolling Hills on Monday morning, she had been visiting with sister Mrs. Callison.

Mrs. D. Galarneau is the guest of Mrs. Callison for a few days.

Mr. and Mrs. Maguire and Miss Bond attended the dance here, Friday last.

Any lady who would like to do Red Cross work, please call at the home of Mrs. John Brown. Let us remember, a clean bandage may save some wounded soldier from infection.

Mrs. P. Powel was in the Colony for a short time on Saturday.

Mrs. Hyrve, Wallace, Villet, and Brown were Sunday callers at the Samdhal home.

Don't forget the Red Cross Dance to be held in Gem on the 14th of June.

Several Gemites attended the

MAKEPEACE

Miss Mary Boyle of Crowfoot had the fortune of having her parents Mr. and Mrs. Boyle of Edmonton visiting her during the week-end.

Former residents in the district Mr. and Mrs. Hansen and daughter were visiting friends here on Sunday.

Miss Mildred Martin, Mr. Alvin Sandquist, and Mr. and Mrs. Sid Rodbourne were callers at the home of Mr. and Mrs. V. G. Campbell on Thursday evening.

Mrs. R. Law and daughter spent part of last week visiting at the home of her parents Mr. and Mrs. J. Roberge.

Mrs. E. Martin and daughters Mildred and Shirley called at the home of Mrs. E. Hefflebower on Friday last.

Mr. and Mrs. D. Kehoe, Mr. and Mrs. F. Hailey, and Messers Frank and Ronald Hailey were Sunday visitors at the home of Mr. and Mrs. J. McBeth.

It was reported that Mr. Arthur Arrison was in the district on Sunday, although he did not turn up at the ball-game due to circumstances beyond our knowledge.

Mr. and Mrs. Erwin Seeley and family were visitors at the home of Mr. and Mrs. J. Bulger on Sunday.

Miss Maxie Nail spent the week-end visiting here in the city. After seeing the show "South of the Border," Maxie found Gene Autry's singing to be very helpful, especially Sunday after discarding a bike for a big red truck that was seen headed south of the boarder down Makepeace way.

Friends and relatives had the honor of congratulating Mr. Chas. Rodbourne on the occasion of his 80th birthday on Sunday May 26. Everyone enjoyed their first picnic of the season down by the river which was held for the occasion mentioned above. We all hope he will enjoy many more such happy birthdays.

GRATEFUL TO BRITAIN

The ruler of one of the smallest kingdoms in the British Colonial empire was an interested spectator when the Machesters trooped the Colour in Singapore on Ladysmith

Day. This dignitary was the Raja of Perlis, a tiny state in the North of the Malay Peninsular, which has lived under British protection for more than thirty years. The gratitude of Perlis for peace and freedom under the British flag has been shown by a gift of nearly \$30,000 for the Imperial war funds.

On Sale Now!

WAR SAVINGS CERTIFICATES

A direct obligation of the Dominion of Canada

"Since the momentous day of last September, hundreds of thousands of Canadians have been asking themselves, 'What can I do to help win the war?'"

"One answer is, 'By saving!' Every man, woman and child in the Dominion can now make a direct and continuing contribution to Canada's war effort by saving not only his dollars, but also his nickels, dimes and quarters to buy Canada's War Savings Certificates."

W. L. R. Brown
MINISTER OF FINANCE.

WAR SAVINGS CERTIFICATES: are repayable in seven and one-half years. If you hold them to maturity, you will receive 3% on your money — your investment will increase by 25%. They are sold as follows:—

- For a \$5 certificate you pay \$4
- For a \$10 certificate you pay \$8
- For a \$25 certificate you pay \$20
- For a \$50 certificate you pay \$40
- For a \$100 certificate you pay \$80

TO FIT ANY BUDGET: You can take advantage of this patriotic and profitable savings plan, whether your savings are measured in dollars or in occasional nickels, dimes and quarters. Canada's War Savings Certificates are expressly designed to appeal to the man or woman of modest means who cannot afford to subscribe to war bonds of larger denominations, but who desires to do something tangible to assist the Country's war effort.

CHILDREN TOO: Even children can purchase War Savings Certificates, using their coppers, nickels and dimes to buy War Savings Stamps at 25c each. Sixteen of these stamps will buy one \$5. Certificate.

DEVELOP THE SAVING HABIT: You can purchase as many War Savings Certificates as you like, up to \$500 maturity value in any calendar year. Buy them when you wish — buy them often. Remember, systematic saving is successful saving — and your Country needs your money.

REGISTRATION: Each War Savings Certificate is registered in one name only, and is not transferable.

REDEMPTION: War Savings Certificates cannot be called for redemption by the Government prior to their date of maturity. The owner, however, has the option, after six months, of redeeming his certificates for cash at fixed redemption values. In urgent cases, advance notice will be waived.

You too can SERVE —
by SAVING!

Get your War Savings Certificates or Stamp Card today. Your employer will gladly arrange to make weekly deductions from your wages to buy War Savings Certificates.

Complete information and application forms at
BANKS, POST OFFICES AND DEALERS

Ottawa Letter

By Dr. F. W. Gershaw, M.P.,
Medicine Hat Constituency.

Members of Parliament from all over Canada came to Ottawa determined that Canada should put forth its maximum effort to assist the Empire and the gallant allies in this life and death struggle. Much information that had been withheld has now been given and it is evident to all that recent news has caused a speeding up of preparations.

On May 10th a Military division consisting of 23,678 men was overseas at the disposal of the British officers. A second division of 24,645 men is ready to embark when ships are available. A third division will be at once recruited and occupy the camps of the Second division.

In addition on the date there were:

In Training centres	16,282
In Coastal defence	9,036
In Guarding valuable points	6,665
Other troops	6,223

At the beginning of the war the Navy consisted of a dozen Vessels and 1600 officers and ratings. Now, there are 100 Vessels and 5614 men and officers. By March 31st next, this will have been increased to 1450 off icers and 10,000 men. On May 10th there were in active service 9 Destroyers, 15 Mine Sweepers, 6 anti-submarine vessels and 66 auxiliary vessels, ninety additional patrol vessels and Mine Sweepers are under construction.

The British Commonwealth Air Training plan is not an exclusively Canadian undertaking. The Order were placed, when the arrangements were made for planes and etc., and development was to progress as supplies could be received. This activity is being speeded up. All factories on War work and the shipyards and heavy industries are asked to work day and night, including Sunday.

On May 10th there were 10,926 Air men and 1,389 Officers in the Royal Air Force. One squadron had gone overseas for Army Co-operation and the others were being used for home defence.

On May 10th there were more than 100,000 men in the 3 branches of the Active Service Forces and all departments are rapidly expanding.

A new department of Air Service has been set up with a very active Minister and 12 companies of Veterans of the last War will deal with 5th Column activities in Co-operation with the R.C.M.P.

The budget this year calls for \$700,000,000 for War and 448 million

for ordinary expenditure. This means more taxes and more borrowing for the Canadian people. All the ordinary expenditure is being cut drastically.

All sorts of questions come up in the House. This week one member argued that the Bible expressly forbids interest. Another member disputed this. It was agreed that they should retire to a room and see who would come out a repentant man.

A constant stream of criticism, some of it almost hysterical, is being directed against every Government in these critical days but close observation shows that all Groups in the Canadian Parliament are united in the great struggle.

Sincerely,
F. W. Gershaw.

THE POET'S CORNER

"A faithful friend is a strong defence." When openly or secretly assailed by an enemy, or when any danger threatens you, your friend will rush to your aid, regardless of personal danger. He will make your cause his own.

HOPE

'Tis born on the zephyr at eventide's hour;
It falls on the heart like dew on the flower,—
An infinite essence from tropic to pole,
The promise, the home, and the heaven of Soul.
Hope happefies life, at the altar or bower,
And loosens the fetters of pride and of power;
It comes through our tears, as the soft summer rain,
To beautify, bless, and make joyful again.
The harp of the minstrel, the treasure of time;
A rainbow of rapture, o'erarching devine;
The God-given mandate that speaks from above,—
No place for earth's idols, but hope thou, and love.
By—Mary Baker Eddy.

INDIAN SIGNS FORETELL DISASTER FOR DER FUEHRER

Rocky Mountain House, Alta.—Before the war is over Hitler will be "running for a hiding place like a wolf," according to Chief Two Horses, who said his prediction is based on Indian signs.

Chief Two Horses who came to town to buy provisions after a winter's trapping said he was going by "Indian signs—that white men don't know. Indian signs are always right."

CANADA SETS EXAMPLE

The Canadian Army has undoubtedly better dental services for its Army than any other armed force in the world today. The Canadian Dental Corps has realized the ideal of one dental officer to 500 men in comparison to one officer to seven or eight thousand during the last war. Dental fitness has achieved equal importance to physical fitness.

DENY NAZI ALLEGATIONS

Germans interned in Tanganyika at the outbreak of war have written to the Governor denying Nazi broadcast allegations that they were ill-treated and even beaten while in camp. The letter, signed by nine Germans now on parole, stated that they wished to express their appreciation of the "very decent" treatment of interest by the authorities. "All just demands were met with good will and the utmost consideration."

PEPPERY COLONELS

If Canadian colonels, and other ranks as well, are not peppery enough, and if army soup has no

savour, it will not be the fault of the Department of Munitions and Supply. Purchases of pepper for the first three months of this year came exactly to 10,027 pounds. It also appears that the appetites of the troops, the sailors and the airmen were sufficient to knock off 3,100 tons of meat during the same period of time.

VETS DO THEIR BIT

Ten veterans of the First World War are now surrendering either the whole or part of their pensions to Canada's war cause. A pensioner of London, Ontario, surrendered his monthly cheque of \$21.00 from March, 1940, for the duration. Another from Killam, Alberta, authorizes a deduction of \$11.25 every month. The other eight include a major-general, now resident in Italy, and a private in Greece.

FOREIGN EXCHANGE ACQUISITION ORDER

SPECIAL NOTICE

Subject to certain exemptions, the Foreign Exchange Acquisition Order requires every resident of Canada who had any foreign currency or foreign currency deposit in his possession, ownership or control on May 1st, 1940, regardless of amount, to sell the same to an Authorized Dealer (chartered bank) on or before May 31st, 1940.

Unless an extension has been granted by the Board, any resident who has not complied with the terms of the Order on or before May 31st, 1940, will be in default and subject to the penalties provided in the Order.

The Order does not require the sale of foreign securities.

Further information and particulars may be obtained from any branch of a chartered bank.

FOREIGN EXCHANGE CONTROL BOARD

Plans Being Formed For 1940 July 1 Stampede, Carnival

Preparations for the coming stampede on July 1st next have already begun to take form, and a committee of local business men made a motor trip to Calgary recently to make arrangements for new attractions.

The Stampede is sponsored annually by the Bassano Board of Trade, and in past years has drawn

one of the largest crowds of any stampede in the district. It has been stated that this year's entertainment will be brought up-to-date, and enlarged upon, so that a more varied program may be presented.

Although final details of the program have not been decided upon as yet, committees will be appointed by the Trade Board in the next

week or ten days to oversee the various departments of the Stampede.

It is understood that several new Carnival Games are being secured, which will prove more interesting and profitable to people who take in the carnival during the day. A feature of last year's program, the Grandstand attraction, will also be enlarged upon, and professional entertainers will be secured again, with a bigger performance than last year. Particulars will be published as announcements are made.

IMPROVING BAKE SHOP

Mr. K. H. McAmmond, local Baker, informed the Recorder this week that he intends to redecorate the interior of his bake shop, located behind his residence in Bassano. He will also remodel and improve part of his equipment, permitting more sanitary handling of materials used in the process of baking.

TENNIS COURTS IN FINE SHAPE

Members of the local tennis club informed the Recorder this week that the three local courts are now in first class condition, and that games are being played each evening by a number for a local persons interested in playing. All those who intend to take part in the pastime this summer are urged to turn out now, and those members of the club, so they may have the benefits of early season practises.

HERR HITLER'S PRAYER

Here's a masterpiece sent in a few days ago that may be worth placing in your scrapbook:

Gott! Dear Gott! addentions, please!
Your bardner Hitler's here,
Und has a vord or two to say
Indo your private ear,
So durn away all odders now
Und listen veil to me,
For what I say concerns me much,
Meinself und Shermany.

You know, dear Gott, I vas your friendt,

Und from mein hour of birth
I quietly let you rule der Heffan,
Vile I dule o'er der earth.
Und when I toldt mein soldiers
Of bygone battle days,
I gladly splidt der glory
Und gif you half der braise.

In efery vay I dried to brove
Mein heardt to you vas true,
Und only claimed mein, honest share

In great deeds vot ve do,
You couldt not haf a bedder friendt
In sky or landt or sea
Dan Adolf Hitler number von,
Der Lord of Shermany.

Now vot I say, dear Gott, is dis:
Dat ve shouldt still be friends,
Und you shouldt help to sendt
mein foes

To meet der bitter endts.
If you, dear Gott, vill dis men do,
I'll nuddings ask again;
Und you and I vill bardners be
Vor effermore. Amen.

But listen, Gott, it must be quick
Your help to me you send,
Or else I aff ter stop attack
Und only blay defend.
So four und dwendy hours I gif
Ter make der Allies run,
Und put me safe indo mein blace—
Der middle ob der sun.

If you do this, I'll do mein bart—
I'll dell der vordt der fact;
But if you don't den I must tink
It is a hostile act.
Den var at vonce I vill declare,
Und in mein anger rise
Und send mein bomber ships to
vage

A vight up in der skies.
Dis ultimatum now, dear Gott,
Is von ov many more.
Mein mind is settled up to clean
Der whole vordt off der floor.
Because you vas mein bardner,
Gott,

An extra shance is giffen;
So help at vonce, or else I'll be
Der emperor ov Heffan.

—Blairmore Enterprise.

HOPPER POISONING

when the grasshoppers are feeding, otherwise it will be wasted. They feed when the ground temperature is between 65 degrees F. and not more than 95 degrees F. This is normally between seven and ten o'clock in the morning.

4. Scatter bait thoroughly, throwing it as far as you can, making three or four throws with one handful of bait. Fifteen to twenty flakes of poison bran on a square foot of land will give a maximum kill.

5. Bait spread in excess of fifteen pounds to the acre is a waste of bait and energy. Two hundred pounds is the maximum one person

can spread by hand in a day.

6. Bait can be kept satisfactorily for a week, if conditions are unfavourable for spreading earlier.

7. Bait is poisonous, and in bulk it is dangerous. Be careful not to spill it in the yard or leave wagons standing where live stock can gain access to it. Properly scattered bait is absolutely harmless. Any surplus bait should be scattered over the land, or buried. Burning will not destroy Arsenic.

8. Any person spreading bait who has cuts or sores on their hands should either wear rubber gloves or well grease the hands, and immediately after spreading, the hands should be carefully washed, and particles of bait removed from the finger nails.

LOUIS CONN--BASSANO

IN THE QUAINT BOOK OF THE 16th CENTURY

In 300 years the art of brewing became an important industry in England. First in the 13th century brewing became known through waters of Burton on the Trent. Of the many books on the subject of Beer, one in particular deserves special mention. In 1573, H. Knarst published a work in five volumes at Eefurt with the quaint title: "On the Divine Noble Gift, the Philosophical High dear and Wonderous Art to Brewing Beer."

TODAY B E E R

Is the traditional beverage of companionship and modernation — always associated with good friends.

Local Items of Interest

Miss Carolyn Beeber, who is attending school in Calgary, spent the week-end visiting at the home of her parents, Mr. and Mrs. H. H. Beeber.

A number of local persons were present at the station last Saturday, to say goodbye to Privates Jim Rennie and J. Jordan, who moved east with the Calgary Highlanders.

ADDITIONAL GEM NOTES

Miss Myrtle Pollock of Calgary is visiting with her grandmother, Mrs. Millar, for a short time.

The Gem Sunday School wish to report that the two missionaries Mr. Davis and Mrs. W. A. Davis, who have been conducting services during the winter months, have been called away. The Sunday morning services will be conducted in the future at 10 a.m. by Mr. E. E. Hartford of Bassano, in the community hall. It is hoped that there will be a good turnout of people from Gem, and that the services will be a success.

Mrs. Callison has just received word that the application of her brother, Dan Foley, to enlist with the Engineers Corps in Calgary has been accepted.

N. BOYLE WINS PONY IN DRAW

A large crowd attended the dance sponsored by the Catholic Ladies on Friday night, last, in Gem and all reported a very enjoyable time. Miss N. Boyle of Bassano Hospital won the much coveted Shetland Pony. Mrs. Bill Williams and Tom Callison were winners of the elimination dance.

The committee wish to express their gratitude to the Melody Five who supplied their swing music in a truly modern manner.

Sally Laskoski sold the highest number of tickets on the Pony.

(Continued from Page 1)

LARGE CROWD ENJOY HIGH SCHOOL BANQUET

Dramatic Festival held here some two weeks ago were also presented at the banquet. Each student was called to the head table and handed the certificate as his or her name was called out.

Winding up the evenings program which lasted for approximately 2 hours, the 1940 graduating class were called to their feet for introduction. All received a hearty hand from the gathering.

The banquet was sponsored by the High School Literary Society, and all work in making preparations for the event was left in the hands of a committee consisting of June Ragan, Ramsay Broadfoot, Bob Bacon, Kathleen Smith and Armand Zenenski. Due credit is extended to this committee for their organizing ability, and for the banquet which they so successfully presented.

Undoubtedly, with the experience gained through the banquet this year, students of the High School next year will stage an event of the same nature.

Mrs. A. P. Thompson is a patient in the local hospital.

Mr. and Mrs. F. Brocklebank and family were week-end visitors with friends in the Hanna District.

Bob Currie of Calgary spent the week-end visiting with friends in Bassano.

Mr. G. Warren and Mrs. Corbett were Calgary visitors on Friday of last week.

Mrs. D. Wans of Medicine Hat was a Bassano visitor on Thursday last.

Mr. and Mrs. E. P. Currie of Calgary were Bassano visitors on Friday and Sunday of last week.

Mrs. D. L. Downs returned on Friday last from a short visit with relatives in Calgary.

Mr. and Mrs. Ward Simpson of Brooks were Bassano visitors on Saturday last.

Mr. Oscar Ingeberg of Calgary was a Bassano visitor on Thursday and Friday of last week.

Mr. Earl Beck of Calgary was a Bassano visitor on Wednesday of this week.

Mrs. A. S. Ballam of Calgary visited at the home of her daughter, Mrs. H. E. Riley for a few days the first of the week.

A number of Dormitory Students spent the holiday week-end at their respective homes in the country.

Miss Margaret Kelly, of Blackie, is visiting for a short time at the home of Mr. and Mrs. H. T. Johnson.

Mrs. Playfair and daughters Winifred and Florence, and Mrs. Chas. McKinnon, motored to Calgary on Saturday of last week.

Miss Margaret Harper, of Calgary spent the week-end visiting with her parents, Mr. and Mrs. H. W. Harper.

Mr. and Mrs. Toms and son, Clem of Calgary, were visitors at the home of Mr. and Mrs. H. E. Riley on Thursday of last week.

Miss Mary Lore, who is attending school in Calgary, spent last week-end visiting with her friends in Bassano and her parents in Lathom.

Miss Florence Playfair, teacher of Medicine Hat, spent last week-end visiting with her parents in Bassano.

Private Jordan wishes to thank all the business people and friends who gave him gifts and donations as he passed through town last week with the Calgary Highlanders.

BORN — To Mr. and Mrs. Ed. Merithew, Lathom, a daughter on May 29th, 1940.

FOUND—Locking type Gas Tank Cap. Owner may have same by calling at Recorder Office.
